

Congratulations to our Great American Irish Fair Raffle Winner!

Brett Wierzbick presented a \$1,000 check to Samantha Ganey on behalf of the Alive in Hope Foundation. Samantha won the Super Scholarship Raffle at the Great American Irish Fair.

The Great American Irish Fair took place on September 20th and September 21st in the parking area of KeySpan Park in Coney Island. The days were filled with traditional Irish music, dancing, and food. The weekend ended with a performance by 2U, a tribute band to the world famous U2.

All of the proceeds from the event benefited Catholic Education through the Alive in Hope Foundation. The Foundation held a Super Scholarship Raffle to help raise additional funds for Catholic Education – Samantha Ganey of Brooklyn took home the top prize of \$1,000! Thanks to all who participated in the raffle, and all fair attendees for coming out to support such an important cause.

A special thanks to Mr. Martin Cottingham and the Great Irish Fair committee, who worked tirelessly to ensure the success of the fair. The Foundation is grateful for the contributions they make to the schools, children and families we serve through this unique partnership!
